Bridgewater and Carson and the court of Appeals, was run and the court of Appeals, was run and the court of Appeals, was run and the court of the court of Appeals, was run and the court of rnn, and it is time it was crushed dut of the Puval. We have gone to considerable pains to ascertain from those thoroughly acquainted with the history of those times, and we find that is neither of the years named was it known that Bridgewater was the thief, robber and accountied generally, that he afterwards proved to be. It was known that while In the army he impressed horses and occaded supplies, but such action was regarded more as the necessities of war than as a desire to appropriate to his own use. It was not until the Spring of 1867, when he robbed the Chandlers, was arrested and subsequently in Chandlers, was arrested and subsequently in the same year, killed, that his real charaters ter was known to the public. Many of of the must respectable and even prominent must respect the same of Stanford, Hustonville and the majority of one, our own Senator Beck two belies of Eastern Garrand visited their sources. credity generally, and among them some

Alramu between it and the Republican party, Mr. Hansford took his position in the ranks of the Democracy, and from that time in this has unit any voted but worked faithfully for the party. In 1874, he was a candidate against Judge Southey for the nonulusation for County Judge but was defeated, where proper the notation for County Judge but was defeated, where proper the notation for County Judge but was for the whole ticket. An inspection of the for the whole ticket. An inspection of the the whipping post law by all means. poil-books show that in the jourteen years that he has been in the Democratic party charmed circle and left us to weep. The 1. S. McElmy, of Stauford, held a comcharmed circle and left us to weep. The las never shirked voting, but has always voted an onseratehed Democratic party itself, County, State and National. In cocognition of his services, he was nevers years ago given the innovable position of this county. Which position he filled with wateriful care and fidelity. That he could not have meant to endorse Bridgewater's villsiny by his votes, is shown by the texture of this whole life and by the texture in the last not have meant to endorse Bridgewater's villsiny by his votes, is shown by the texture of this whole life and by the texture in the last not weep. The form the weep. The form the country of the none of the constant of the last number, of the New Fra, however, that it will maintain its high and the position of this country of the left not have meant to endorse Bridgewater's villsiny by his votes, is shown by the texture of the country of the purpose of texting the number of the purpose of testing the united themselves with the church.
